AND ARREST WARRANT

I, Shawn M. Matthews, a Special Agent with the Federal Bureau of Investigation, being first duly sworn, hereby depose and state as follows:

INTRODUCTION AND BACKGROUND

1. I am a Special Agent with the Federal Bureau of Investigation ("FBI"), and have been so employed since January 2005. Prior to my work with the FBI, I worked in law enforcement as a municipal police officer in West Virginia and Virginia for a period of nine years. I hold a Bachelor's Degree in Criminal Behavior and a Master's Degree in the Administration of Justice. Additionally, I have received specialized training from the FBI, the West Virginia State Police Academy, and the Roanoke Virginia Police Academy, relevant to the investigation of narcotics, weapons, and computer-related crimes to include computer forensics training. I have experience and specialized training related to the collection of narcotics, weapons, and computer-related evidence, and have personally participated in search warrants involving the search and seizure of weapons, narcotics, and computer-related equipment. As a federal agent, I am authorized to investigate violations of laws of the United States Code, and as a law enforcement officer I am authorized to execute warrants issued under the authority of the United States.

2. This affidavit is in support of a criminal complaint charging ANDREW JON THOMASBERG, (i) on or about October 18, 2017, in the Eastern District of Virginia, in connection with the acquisition or attempted acquisition of any firearm or ammunition from a licensed importer, licensed manufacturer, licensed dealer, or licensed collector, with knowingly making any false or fictitious oral or written statement intended or likely to deceive such importer, manufacturer, dealer, or collector with respect to any fact material to the lawfulness of the sale or other disposition of such firearm or ammunition, in violation of 18 U.S.C. § 922(a)(6), and (ii) between on or about November 2018 to March 2019, in the Eastern District of Virginia, with possessing a firearm while being an unlawful user of or addicted to any controlled substance, in violation of Title 18, United States Code, Section 922(g)(3).

3. The facts of this affidavit come from my personal observations, training and experience, legal processes, and from information obtained through other agents, and witnesses. Since this affidavit is being submitted for the limited purpose of establishing sufficient probable cause for the requested warrant, I have not included each and every fact known to me concerning this investigation. I have set forth only the facts that I believe are necessary to establish probable cause for the issuance of the arrest warrant requested herein.

PROBABLE CAUSE

THOMASBERG's Straw Purchase

4. On October 18, 2017, while employed at Sterling Arsenal, Sterling, VA, within the Eastern District of Virginia, THOMASBERG completed the purchase of an Arsenal SAM7R, 7.62x39, AK-47 assault-style rifle, bearing serial number BA532035. According to an interview with the owner of Sterling Arsenal, this purchase was made directly from a third-party firearm distributor that sells firearms to Sterling Arsenal. According to the owner of Sterling Arsenal,

THOMASBERG's firearm purchase was made while THOMASBERG was employed at Sterling Arsenal, without the consent of the Sterling Arsenal owner and in violation of Sterling Arsenal policy.

5. In purchasing these firearms, THOMASBERG completed necessary forms provided by the United States Department of Justice's Bureau of Alcohol, Tobacco, Firearms, and Explosives ("ATF"). In particular, THOMASBERG completed and signed an ATF Form 4473 for this purchase on October 18, 2017. On this form, THOMASBERG provided his telephone number, email address, and home address. ATF Form 4473 includes Question 11.a. "Are you the actual transferee/buyer of the firearm(s) listed on this form? Warning: You are not the actual transferee/buyer if you are acquiring the firearm(s) on behalf of another person. If you are not the actual transferee/buyer, the license cannot transfer the firearm(s) to you. Exception: If you are picking up a repaired firearm(s) for another person, you are not required to answer 11.a. and may proceed to question 11.b." THOMASBERG checked "yes" to this question, indicating he was in fact the purchaser of the aforementioned firearm.

6. According to the owner of Classic Firearms, a firearms distributor based in Indian Trail, North Carolina, the purchase of the above-mentioned firearm was made on the Classic Firearms website through the customer profile of THOMASBERG on or about October 8, 2017, for a total purchase amount of \$1,336.19. The purchase form indicated a shipping address for the Sterling, VA business address of Sterling Arsenal. The payment and billing information was for an individual known to me, referred to here as Individual B.B., located in Elkridge, Maryland. Bank records for Individual B.B. corroborate a \$1,336.19 charge to Individual B.B. for a purchase from Classic Firearms, processed on or about October 10, 2017.

7. According to a cooperating witness (hereinafter “CW 1”), Individual B.B. directed THOMASBERG to make the firearm purchase on Individual B.B.’s behalf. CW 1 was present for conversations between Individual B.B. and THOMASBERG, during which Individual B.B. directed the purchase of the aforementioned firearms.

8. On June 6, 2019, agents of the FBI, including the undersigned, executed a search warrant for the residence of Individual B.B. based on separate charges. The aforementioned firearm was seized from the residence of Individual B.B. at that time.

9. According to an invoice for the purchase, the firearm was shipped from MSR Distribution, a supplier in Las Vegas, Nevada to Sterling Arsenal in Sterling, Virginia.

THOMASBERG’s Possession of Firearms

10. In an interview conducted on or about December 27, 2018, a cooperating witness (hereinafter “CW 2”), an individual close to THOMASBERG, stated that, at the time of the interview, THOMASBERG owned three to four firearms. CW 2 also stated that THOMASBERG, for years, including through the time of the interview, regularly carried a handgun on his person.

11. CW 2 resided with THOMASBERG at the time of the interview, within the Eastern District of Virginia, and provided the FBI with recent pictures, set forth below, of multiple firearms in THOMASBERG’s bedroom. CW 2 took these photographs prior to the interview with the FBI, and did not take them at the direction of the FBI.

12. In interviews conducted with CW 1, in or about June 2019, CW 1 stated that THOMASBERG has and continues to possess and carry firearms on his person. CW 1 stated that THOMASBERG is in continuous possession of a firearm and has been for at least the last two year period.

13. Invoice records from Classic Firearms indicate that on or about April 25, 2016, THOMASBERG purchased a Finnish M39 Rifle, 7.62x54, bearing serial number 63933, from Classic Firearms and had it shipped to Silver Eagle Group ("SEG"), a Federal Firearms License

holder, in Ashburn, Virginia. THOMASBERG completed an ATF Form 4473 through SEG and took possession of the firearm on or about that same date.

14. Transaction invoices provided by SEG show that, on or about April 25, 2017, THOMASBERG purchased an AR-15 lower receiver, bearing serial number 2A2621, from SARCO INC., a firearms dealer based in Easton, Pennsylvania, and had it transferred through SEG. Based on my training, knowledge, and experience, a “lower receiver” is a reference to an AR-15 rifle and is the registered, serialized, and regulated portion of the firearm.

15. According to business records received from Sterling Arsenal on or about August 10, 2017, THOMASBERG submitted a Charles Daly Pistol, bearing serial number HP00626, for repairs at Sterling Arsenal.

16. According to records received and reviewed from the Fairfax County Police Department, in July 2019, THOMASBERG submitted his application for a concealed carry permit with the Fairfax County Police Department, Fairfax, VA, which denied his application.

17. On or about July 22, 2019, THOMASBERG purchased a new handgun from Vienna Arsenal, Vienna, VA, an HK, P30, 9 mm handgun, bearing serial number 213-028956. On or about July 22, 2019, THOMASBURG completed an ATF Form 4473 for this purchase.

18. In July 2019, the FBI Washington Field Office conducted phone exploitation of Individual B.B.’s cellular phone, pursuant to a federal search warrant, wherein analysts discovered Signal encrypted messaging communications between Individual B.B., and a contact identified as “Drew” with phone number 703-xxx-8028 (hereinafter “Phone Number 8028” or “THOMASBERG”), discussing narcotics activity and weapons. Based on Sterling Arsenal, Classic Firearms, SEG, Fairfax County Police Department, and FBI database records, Phone

Number 8028 is known to the undersigned agent as THOMASBERG's cellular phone number. "Drew" is a nickname THOMASBERG identifies by.
